

Rapid Assessment Web (RAW) survey to understand the impact of the COVID-19 crisis on people residing in South Asia: Survey Questionnaire

Start of Block: Default Question Block

X0

Welcome and thank you for your time.

You can complete this survey for yourself first. Thereafter, we encourage you to help us by interviewing someone you know that is unlikely to take this survey because of language barrier or lack of access to the Internet. **WE WANT TO ALSO HEAR FROM SUCH PEOPLE AND WOULD GREATLY APPRECIATE YOUR HELP IN PLAYING THE ROLE OF AN INTERVIEWER.**

X1

To begin, tell us if you are completing this survey for yourself or on behalf of someone you know?

- For myself (1)
- For someone else (2)

Skip To: End of Block If X1 = 1

X2

If you are interviewing someone else, we THANK YOU for your help. **Note that in all the questions after this question, 'you' and 'yours' refers to the person you are interviewing. Thanks.**

Please indicate the language in which you are doing the interview?

Consent Statement

This survey is conducted by researchers from Michigan State University, USA with the help of collaborators from your country. The purpose of this survey is to understand how the current situation in your country and around the world is affecting your family and your well being. We appreciate your time to participate in this survey. Your responses in this survey will help researchers make recommendations to guide future program investment and policy decisions by the government and other development partners.

This survey is for individuals who are 18 or above in age. If you meet this age criterion and agree to participate in this survey, it will take about 10 minutes. Your participation is voluntary. Your refusal to participate or to withdraw from the study carries no penalty or loss of any benefits. This survey is completely anonymous. We do not ask for your contact information at any point. Results from this survey will be aggregated and made available at MSU's website. The survey is open until end of April 2020.
